

PROJECT MANAGEMENT SUCCESS A **VIEW** FROM THE **FUTURE**

Rosemary Hossenlopp

Bio

Rosemary Hossenlopp, MBA, PMP has worked to ensure successful product launches in top Silicon Valley firms. She focuses on project assessments, PMO implementations and working with leaders to ensure project outcomes are aligned with strategic needs. She works on large, complex projects in both commercial and government environments.

Rosemary is active in the PMI community as a Project Management Professional (PMP) and Council Lead for the 28,000 member Project Management Institute (PMI®) Organizational Project Management Community of Practice (<http://opm.vc.pmi.org/>).

She is the editor of Organizational Project Management, coauthor of Unearthing Business Requirements and a contributor to the Institute of Business Analysis Body of Knowledge <http://www.iiba.org> and is author of the forthcoming book "Making Value Visible".
