

Jen Berman
VP of Marketing
Impel NeuroPharma

Jennifer brings to Impel more than 15 years of marketing leadership experience in the pharmaceutical and medical device industry. Most recently she served as the Worldwide Brand Director at Novartis Pharmaceuticals Corporation, where she was the global launch lead for Aimovig®, the first monoclonal antibody approved by the U.S. Food and Drug Administration for migraine prevention. She previously served as Senior Director of Global Marketing at electroCore, LLC, and Senior Product Manager at Zimmer Biomet. Jennifer holds a B.S. in Business Administration from Babson College.
