

OPEN NETWORKING & EDGE SUMMIT

ATTENDEE GUIDE

GET STARTED

- All event participants must abide by our [Code of Conduct](#).
- The event will be open to attendees starting on **Friday, September 25 at 12:00pm EDT**, 3 days before the event starts. Take advantage of this early access to become familiar with the platform, update your profile, and set your time zone.
- The event is held on **Eastern Daylight Time (EDT) / UTC -4** and all times listed in the platform and on [Sched](#) will default to EDT. However, you can change the default on Sched to your local time zone easily.
- Make sure to join our [ONES Slack Workspace](#) to network with other registered attendees! Email events@linuxfoundation.org if you didn't receive your invitation within 2 hours of registering during EDT business hours.

ACCESS THE EVENT

- You must be [registered](#) to attend ONES 2020.
- You will need your **confirmation number** (found in your registration confirmation email) and the **same email address** you used to register for the event.
- If you're viewing the event on a screen smaller than 15 inches, we recommend that you zoom out manually.
- Run a [system check](#) to ensure your computer is configured properly for the virtual event platform.
- Run a [compatibility check](#), which tests your audio devices.
- If you encounter any issues, please refer to INXPO's [additional computer tips](#).

UPDATE YOUR PROFILE

Within the event platform, click on the "Profile" tab to access the following:

- Update your personal information & add a photo.
- Change your time zone (all times listed default to EDT UTC -4).
- Access your Briefcase. This is where you can view your downloaded resources such as videos, white papers, and more from the Technical Showcase.
- View My Achievements (your Badge collection).
- You will also need to go to ones2020.sched.com or the "Schedule & Agenda Builder" tab in the platform to change your time zone for Sched.

TECH SUPPORT

For technical support inside the platform, choose "Tech Support" under the "Info" tab in the top navigation bar, where a support representative will be standing by to help. You can start a chat and view helpful resources and documentation.

EVENT SUPPORT

Event Staff will be monitoring the **#1-helpdesk** channel in Slack (and all others) from **9:30am - 5:00pm EDT** on event days to answer any questions you may have about the [Slack workspace](#) or the event in general. If we're not in, we'll answer any questions as soon as we get online. If you need to email us, feel free to email events@linuxfoundation.org!
