

EquiSUMMIT™ 2024 Agenda

REGISTER FOR FREE TODAY at

www.attendequisummit.com

WHAT:

EquiSUMMIT™ is a premier virtual event that aims to equip horse enthusiasts with education and nutrition tools to unlock gut health and stress solutions for their horses. EquiSUMMIT will feature experts from the industry and academia tackling important equine health issues such as heat stress, ulcers, microbial balance, and more!

WHEN: December 3-4, 2024

Programming will run from approximately 3:50 - 7:00 PM CST on both Tuesday, December 3 and Wednesday, December 4. All programming will be available live and on-demand for the remainder of the year.
