WHAT:

EquiSUMMIT™ is a premier virtual event that aims to equip horse enthusiasts with education and nutrition tools to unlock gut health and stress solutions for their horses. EquiSUMMIT will feature experts from the industry and academia tackling important equine health issues such as forage quality, ulcers, supplements, and more!

WHEN: March 11-12, 2026

Programming will run from approximately 3:50 - 7:00 PM CST on both Wednesday, March 11 and Thursday, March 12. All programming will be available live and on-demand for the remainder of the year.
